Glimpse of Training on Air Pollution & Human Health

A purple rectangular tag with a hole on the left side is the central focus. It is held by a light-colored string that loops around it. The tag is placed on a rustic, textured wooden surface. Three white daisies with yellow centers are scattered around the tag: one in the foreground to the right, and two in the background, one slightly to the left and one to the right. The lighting is soft and natural, creating a warm and appreciative atmosphere.
